Introduction

Mission Statement

The mission of South Texas Christian Academy (STCA) is to “prepare service-oriented disciples of Jesus to excel spiritually, mentally, and physically to impact the Rio Grande Valley and beyond”.

Educational Philosophy

South Texas Christian Academy is dedicated to the fulfillment of one great purpose, “to restore in man the image of his maker, to bring him back to the perfection in which he was created, to promote the development of body, mind, and soul, that the divine purpose of his creation might be realized.” *Education*, p.15.

It is the purpose of Christian education to restore each student to the capacity for free, creative, responsible thinking and acting that has been considerably diminished by sin. Knowledge of God, his plan for us, and the kind of people each student may become as they are restored to the likeness of Christ is of first importance throughout the school experience. Such restoration involves the whole person, physically, mentally, socially, and spiritually.

Adventist education places a high estimate on the infinite worth of every individual and seeks to provide a climate in which a positive self-image can be developed. We endeavor to provide opportunities for students to secure a preparation that will enable them to live successfully and productively. Students are encouraged to take an active interest in making their communities better places to live, to appreciate the cultural and scientific advances of the age, and to develop positive attitudes toward useful work and toward humanity.

All students enrolled agree to respect the religious guidelines established in this document and by the

Seventh-day Adventist Church. While a student, they must also adhere to the social, moral, and sexual guidelines in this document and established by the Seventh-day Adventist Church.

Organization

“South Texas Christian Academy operates as a dayschool. Classes are delivered in the presence and or distance learning.” The school is operated by the McAllen Spanish Valley Central Church which biannually elects an operating board. The business has conducted at a minimum of 10 board meetings a year.

Non-Discrimination Policy

South Texas Christian Academy admits students of any race, color, national, or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate based on race, color, national and ethnic origin in its administration educational policies, admission policies, scholarship and loan programs, and athletic and other school-administered programs.

- **Unpaid Accounts:** Students who have an unpaid account with STCA or another school are not permitted to register until clearance has been obtained from the treasurer. Exemption(s) will be determined on a case-by-case basis

Student Visa (I-20)

The issuing of the student Visa is a privilege. **Parents are responsible** to make sure that the

students' visa is maintained in an **active status**. All returning students for a "new school year" need to have the administration sign their I-20 by the month of May. For withdrawals or transfers, school administration needs to be notified immediately. Student Visa will be maintained in an "Active" status until July 1st, after that date I-20(student visa) will be set as *complete or failure to enroll in the system*. All students transferring or not returned to STCA will have their VISA revoked no later than August 12th.

Home School Credits

Home school credits are evaluated according to the home school program used.

- Scores from standardized achievement tests may also be needed.
- Due to variety in HS programs, portfolios are examined, and credits determined on a case-by-case basis by the registrar working in close consultation with the parents.
- Credits from an unaccredited program may or may not be accepted. If accepted, the credit will be on a pass/fail basis only and will not be figured into the GPA.
- Official transcript credits from accredited home school entities are accepted as letter grades and are figured into students' GPAs.
- Students with credit awarded for home school programs shall be eligible to be ranked in their graduation class only if a minimum of twelve credits has been earned from South Texas Christian Academy or another accredited academy/high school
- Home school students transferring in may not skip a grade by doing extra courses.

Mid-Year Enrollment

Students wishing to enroll after the beginning of the school year must complete all back work unless they have transcripts from their previous school. Part of the admission decision will be based on whether the student's program in their previous school will match the curriculum sequence at STCA.

Payments Plans

STCA will **ONLY** accept the following type of payments:

- Cash
- Checks or money orders
- Automatic monthly account withdrawals. (Need to apply with treasurer)
- Credit or Debit Cards (3.5% surcharge)
- Adventist School Pay

Lunch Program

The lunch program will involve the use of student identification cards. Cards for grade Pre-K through 5 will be held by the teacher. For grades 6-12 the student must keep the card with them. Parents are required to add

credit to the lunch account, thus allowing the student to purchase lunch. If a parent is dropping off a lunch it must be given to the office before 10:30 am, then it will be given to the student.

Checks or Foreign Currency

A **\$37.00 fee** will be charged to all non-sufficient fund's checks. **NO** foreign currency or checks will be cashed or exchanged at STCA.

After School Care

After school care can be arranged with the office. It begins promptly at 3:45 p.m. During this time, students will be under the supervision of the after-school care personnel. Students are to be picked up at the latest by 5:30p.m., Monday-Friday. On Early Dismissal Days, no after school care will be provided.

After school Care Charges

The After School Care Program has one flat rate (payable August through May): \$125 per month regardless of pick-up time. Additional fees are assessed if students are picked up after 5:30

Late Pick-Up Fee

Students not registered in the After School Care Program and who are not picked up on time at their regular dismissal site are held in a classroom for a \$10 fee. There is an additional charge of \$10 for every 15 minutes past 4:00 pm. Students are not allowed to wait in the office area or outside the school building to be picked up.

Student Records Release Policy

All student records are the property of South Texas Christian Academy. Copies of any student records may be released to parents or guardians of students at the sole discretion of South Texas Christian Academy. However, release of any records shall be contingent on full payment of all financial obligations.

Because parents have a contractual agreement to pay tuition and failure to pay is a breach of that contract, report cards, transcripts, letters of reference, recommendation, attendance, graduation diplomas or I-20(Student Visa) will not be issued/renewed until the account is paid in full. *Students will not be accepted for the following school year if there is a pending balance in their account.*

Financial Assistance

Families who may need financial assistance are encouraged to visit with the school administration to determine whether financial assistance may be obtained to help meet tuition obligations. A **Financial Assistance Form** is available, upon request at the elementary office or on the school's website: www.stca.ws

After the Senior Year

All monies left over after a senior class finishes the school year will be donated to a worthy student fund administered by South Texas Christian Academy administration and staff.

Financial Requirements for a School

Sponsored Trip Participation

Students may attend school sponsored off campus overnight trips only if their tuition is up to date (family balance not just the individual student). Any exceptions to the family balance rule must be approved by the administration. Determination of eligibility will be made 2-

weeks prior to the trip, thus giving the family time to catch-up on tuition payments. If they do not meet the required payments all money paid into the trip will be forfeited by the family to pay for tuition.

Extra-Cost Programs

Some of the programs that STCA offers require the parents to pay extra-costs in order to participate. Notification will be given to the parents in a timely manner that will allow them to buy the necessary items. Choir, Band, and Sports are the usual activities

Financial Assistance Conditions

If a student receives assistance through a scholarship, they must maintain passing grades in all subjects. Failure to do as required *may* cause the loss of assistance from the failing marking period to the marking period that changes their grade to passing. In the case of private financial assistance, the school can only act when both parties give written permission.

Partial Year Registration

Students registering late (with transfer grades from another school) or transferring out to another school before the end of the year will be charged full tuition price for each month, they attend STCA. All students transferring from another SDA School, they must present a financial release from the previous school before registration at STCA.

Attendance and Arrival Information

Philosophy

Education is more than academics, learning to be on time is very important too. We would like to instill in our students the need for punctuality and attendance through the following policies.

School Hours:

School is in session Monday-Friday from 8:00 am- 3:30 pm. Early release days and holidays will be announced.

Absences

When a student has a planned absence, they must fill out an “absence request form”. If the paperwork is filled out, then a principal will determine if the trip is considered excused.

- School sponsored trips and Texas Conference of SDA trips are automatically considered excused.
- When a student is absent without any notification, they will be considered unexcused
- If a student is absent on a school day, the administration may call to verify the absence

Student Attendance

Texas State Law mandates the following as valid excuse for absence:

- Sickness of student
- Medical Appointments
- Death of immediate family member

*Students returning to school after an absence MUST bring a written excuse signed and dated by parent/guardian or doctor.

**If a student is absent for three or more consecutive days a written and signed doctors excuse is required.

*** If no note is given then the absence will not

be excused

Make-up Work

All students must talk to their teachers the day they return from an absence to gather their make-up work. The following are conditions for **unexcused** absences:

- No make-up work will be given by the teacher for unexcused, so the grade(s) will be marked as a zero(s).
- The administration will notify the teachers when an absence is excused, then homework can be obtained by the student.

The student will have the same number of days they were absent to complete make-up work.

Transportation Tardy

Only 3 excuses per semester will be allowed for transportation tardies in the morning. This would include items like:

- Accident, car wouldn't start, flat tire, heavy traffic, morning fog, parent/guardian running late, ride was late, stopped by a train, etc.

You will need to submit a note in writing to the administration, signed by your parent/guardian, to receive one of these excuses.

Tardy Detention (6-12)

Being on-time is a crucial part to education.

Students who are consistently tardy will serve an afterschool detention.

- When a student is tardy on the 15th time, they will have earned a detention.
- Detention will be held on every Tuesday from 3:30-4:30 in the host teachers' classroom.
- Every 15th tardy will lead to a detention.
- The student has the same restrictions as a discipline detention. (Page 17)

Elementary Tardy policy

When a student in grades Pre-K through 5 earns 10-tardies in a calendar month, they are suspended from the next field trip and must attend school that day.

Extended Absence Rule:

If you are going to be absent for 2 or more days due to a trip or planned absence you must receive administrative approval. You must fill out the absence request form for student. If you do not receive approval prior to taking a trip, then it will be counted as an unexcused absence. Absence form can be found on the **stca.ws** website

Drop off Procedure and Checking-in

- Students arriving before 7:45 am will be required to stay in the waiting area.
- After 7:45, when the teacher arrives to their classroom, students are checked in and permitted to enter class.
- If a student arrives without proper dress code clothing on him/her will be sent home or placed in the waiting area until new clothes arrive.

Pick up Procedure

Pick up procedure will require parents to:

- Identify themselves and who they are picking up. Only approved people may pick up a child.
- Once the ride is identified, the child will be allowed to exit, and they must go to the correct car and leave.
- This process will start at 3:45 pm and will continue until 5:30 pm. If a student is left after that they will be referred to after-school care.
- Siblings may not enter the building during dismissal to pick up their younger sibling

- Parents may not enter the educational area during dismissal for any reason.
- Parents will not be allowed to check out their child early between the times of 2:30 and 3:00 pm.

Physical Education Attendance

To be excused from PE activities for any one day, a student must have a signed and dated note from their parent or guardian. Record will be kept of these requests and if a student has an excessive number or needs to be excused for an extended length of time, a student must have a statement from a medical doctor specifying the need for such an excuse and the length of the recuperative period. Leaving During the School Day

Closed Campus Policy

No student may leave campus property without permission of the school, then the parents. To request early release the parents/guardians may send a written request that will be reviewed by the administration.

No student can order anything from an outside vendor and have it delivered. If the student makes the choice, then the student will be fined \$25.

If a student decides to skip a class or leave the school a fee (5-12) will be assessed to their bill. No Student may leave school to purchase a lunch or eat at a restaurant.

Fines for Grades 6-12:

- Skipping Class (charge per class) \$20.00 fee
- Leaving Building without Permission \$25.00 fee
- Leaving Campus without Permission \$50.00 fee
- Ordering items/food without Permission \$25.00 fee

If a student is caught doing any of the above listed items that result in a fine, then he/she can be subject to the further discipline.

Academic Information

Homework Policy

Homework is an important part of the education of all students. Please be aware that on Ren Web the teacher has posted the homework assignments for your student. Ren Web will also notify you at 5 pm through e-mail when your student has missing work. The policies for acceptance of late homework will be determined by the teacher.

Grading System

An explanation of these grades follows:

Pre-Kinder & Kindergarten

I...Achieves objectives & performs skills independently
P...Progressing towards achieving objectives & Skills
NT...Needs more time to develop

Grades 1-2

E Excellent or Outstanding
S Satisfactory
N Needs Improvement
NT Work in this area not acceptable

Grades 3-12

Student grading generally will use the following scale:

A..... 90 - 100% Excellent or Outstanding
B..... 80 - 89% Good
C..... 76 - 79% Satisfactory
D..... 70 - 75% Minimal Acceptable
F ↓69% Failed – Not Passing

Progress Reports

Progress reports are sent out half-way through each quarter. If a child should fall below a D in

any of his/her classes, notification will be given to the parent by the teacher. It is the responsibility of the parent to give the school up-to-date contact information to allow the teacher to contact them. If the parent does not give up-to-date information, it is not the responsibility of the school or teacher if notification is not received by that parent.

Report Cards

Report cards are issued on a quarterly basis. Parent/Teacher Conferences will be held at the end of the first nine weeks for grades Pre-K-12th. Conferences will be held with grades 3-8 during the end of the second nine-week quarter in order to present the MAPS test results. If needed, conferences may be arranged at any time teachers and parents agree on a time.

Incompletes (K-12)

An incomplete is allowed only in cases of extreme hardship. (I.e., illness, death in the family) Missed work must be completed within two weeks of the issuing of the grade report.

Teacher/Parent Communication

Quality communication between parents and teachers will help ensure success for the child. It is imperative that the parents give up-to-date contact information so that the teacher can communicate with them. If a parent would like to speak with a teacher, then they need to contact the office for information and conference times.

Standardized Testing

- In the fall and spring, students in grades K-12 will take the MAPS assessment.
- Exam scores will be given when available or at Parent/Teacher Conferences.

- STAR Math, STAR Reading and Early Literacy program from Renaissance Learning will also be utilized.

Acceleration for grades 1-8

Acceleration is discouraged. But proper teacher/principals' meetings and documentation would need to be submitted for final approval to the Texas Conference Department of Education.

Acceleration for grades 9-12

In harmony with the recommendation of the Southwestern Union Conference Education Code, each student is expected to spend four full years in high school. Summer courses are designed for make-up work or enrichment.

Parents who wish their student to accelerate and complete graduation requirements in less than four years, will:

- Submit a written application signed by their parents during the sophomore year or during the first six weeks of the junior year.

To be eligible for acceleration, the student must meet the requirements:

- 1) On a standard achievement test battery an eligible student is expected to have a composite score which places him at the 90th percentile or above.
- 2) A cumulative grade point average of 3.5 is maintained.

done based on the student's grade point average and achievement test scores. Process as outlined in the Southwestern Union Educational Code will be followed.

- 3) The student must demonstrate initiative, have a sense of responsibility, and show emotional stability, self-control, and adequate social adjustment.
- 4) Complete all required courses for a 4-year graduation must be met.

Transfer students must be in residence at South Texas Christian Academy for one full semester before a request for acceleration will be considered.

Retention

An elementary school student may be retained based on the following criteria:

1. Attendance
2. Academic average 69 or lower
3. When the combined judgment of the teachers and administration indicates that retention would serve the best interest of the student. Social promotion is discouraged in the State of Texas and is not an option at STCA

All work done during suspension must be handed in the day that the student returns or else it will be considered late. The student must do this on their own initiative. Students suspended on campus will be under the supervision of a substitute teacher and will be charged the substitute teacher pay rate for the day(s) of the suspension. The minimum is \$100/day and due at the start of the suspension.

Exemptions

Texas Law allows (a) physician to write medical exemption statements which clearly state a medical reason exists and the person cannot receive specific vaccines, and (b) parents/guardians to choose an exception from immunizations requirements for reasons of conscience, including a religious belief. The law does not allow parents/guardians to elect an exception simply because of inconvenience (for example, a record is lost or incomplete and it is too much trouble to go to a physician or clinic to correct the problem). Schools should maintain an up-to-date list of students with exemptions, so they may be excluded in times of emergency or epidemic declared by the commissioner of public health.

Instructions for requesting the official exemption affidavit that must be signed by the parents/ guardians choosing the exemption for reasons of conscience, including a religious belief, can be found at <https://corequest.dshs.texas.gov>.

Provisional Enrollment

All immunizations should be completed by the first date of attendance. The law requires that students be fully vaccinated against specific diseases. A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate vaccine required by this rule. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. A school administrator shall

review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in compliance and the school shall exclude the student from school attendance until the required dose is administered.

Physical Examinations

All students entering STCA must have a physical examination by a doctor. All athletes participating in TAPPS sports must have a physical exam.

Parental Information

School Expectations for Parents

1. See that the child attends school every day, arriving on time.
2. Pick up your child on time.
3. Pay all school bills and fees on time.
4. Attend Parent/Teacher meetings regularly.
5. Pre-arrange all teacher conferences with the office. All conferences will be after 3:15, unless pre-arranged times with the office can be made during school.
6. Encourage your child to observe good health habits.
7. Keep your child at home when he is suspected of having a communicable disease.
8. Dress your child with the school code as outlined in the section on dress. Also, keep the weather in mind when dressing your child for school.
9. Parent involvement is appreciated and encouraged. Please remember to uphold school guidelines when participating in school activities.
10. Provide signed notes to the school for the following reasons:
 - a. If the child will be absent from school.
 - b. If the child should not go outside during free play or for Physical Education.
 - c. If the child has a contagious disease (mumps, chicken pox, measles, strep throat, head lice, pink eye, etc.). Student needs to stay home until clearance from doctor has been issued to the school.
 - d. If the child is to go home in a carpool other than his/her own.
 - e. If the child is to leave with someone, unknown to the teacher.
11. If a vacation of longer than 2-school days is planned, it must be pre-approved by the administration. If a trip is not approved, but still taken, then all days will count as

unexcused absences.

Classroom Birthday Celebrations

To strengthen the academic program and eliminate the competitive nature of in-class birthday celebrations, all celebrations will:

- Last from 2:30 pm until 2:55 pm at the longest.
- No one may dress outside the dress code for that day.
- Only the parents of the student are allowed at the party: no siblings, friends, or relatives.
- The only food allowed is a cake or cupcakes and an approved drink.
- No presents or gifts to other students, decorations, piñatas, etc. will be included in the celebration.
- Permission for the celebration must be given by the classroom teacher at least 3-days in advance, if no response is given by the teacher, then the answer is no.

Insurance

A portion of the student entrance fee pays for secondary student insurance. This policy covers students from an hour prior to classes until one hour following dismissal. This means that in the event of an accident the parent's primary policy must be used first, the school policy should be solicited as secondary. If an accident is not covered by any other insurance policy, the school insurance will be the primary coverage.

Campus Visitation

We have a closed campus policy. *All* visitors, including parents, are to check in at the office and be given permission to visit the classroom, before going to the classroom. No student is to leave campus without clearance from their teacher and the office. **Do not come to pick up your student for lunch.**

Children, who are not students at STCA, may not be on campus during the school day without specific permission from the principal. If you would like to visit STCA for future enrollment, please call and set an appointment with the administration.

RenWeb

South Texas Christian Academy maintains a service called RenWeb for use by students and parents to access faculty-maintained course content information (i.e., grades, assignments, project due dates, calendars, notes, etc.), securely over the internet with their personalized RenWeb account. RenWeb login information is distributed at the beginning of each school year. Parents' login information is based on the email address provided during the admissions process. It is imperative that parents give up-to-date contact information so that communication can be sent to the parents. If the parent does not give up-to-date information, then the school is not held responsible.

Parent/Teacher Conferences

To benefit the student, it is imperative that parents and teachers be in close communication. Should either parent or teacher desire a conference:

- Attend quarterly Parent-Teacher Conferences.
- Make an appointment through the office for a special Parent/Teacher Conference.

Asbestos Management Plan

STCA is a school that has no asbestos in any of the buildings on the campus. In compliance with the State of Texas, STCA has an asbestos management plan that is available for your viewing at any reasonable time. A copy can be made for a small fee if you would like to keep a

copy of the plan.

Legitimate Concerns

Although Seventh-day Adventist depends on God for divine guidance when operating their schools, they are nevertheless operated by human being who is, subject to error. In Matthew 18:15-17, Jesus made provision for dealing with problems that might arise, and this process should be used if the parents have questions concerning school administration or activities.

1. To establish good rapport between parents and teacher, parents should discuss their questions directly with the teacher outside of school hours. It is unwise to discuss these questions in the presence of your child, since this tends to lower the student's respect for the school authority. Pre-arranged after school conferences are required, unless during school conferences can be arranged by the office. Following Matthew 18, a problem should first be discussed with the teacher. A suitable time and place should be arranged for the parent and teacher to discuss

the misunderstanding or difficulty. At least 80% of all potential conflicts can be resolved this way.

2. If mutual satisfaction cannot be achieved, the parent should, with the teacher's knowledge, discuss the problem first with the principal.
3. If you have given the principal all reasonable time and opportunity to solve the issue, and there is no solution, a written statement should be sent to the board committee chairman.
4. If the problem is not then resolved, the board may invite a parent to address the board for final arbitration. *The board will not become involved unless the above lines of communication have been strictly followed.*
